## Presidents Prerogative

May 2005

The spring issue of Blue Bars magazine has a thought-provoking article inside the front cover called "Turtle On A Fencepost" by Roget Mitchell. It provides an analogy about some demented individuals who find sport at positioning turtles on the flat surfaces of fence posts and leaving them there. Somebody put the turtle there and now the turtle is completely dependant upon others for sustenance. The article goes on to describe how dependant any organization is upon the support of its membership. The board members and officers cannot be successful within CCT without the members who support them. Everything requires a collective effort and each and every person's efforts are important. I'll bring copies of the article to the next meeting for anyone who would like to read it.

The next meeting will be our normal time and place at Friendly Chevrolet. Someone who cares about the future of CCT needs to step up to head the Activity Committee. This too, will be a team effort....NO!! one need shoulder ALL the responsibility for our activities!

Thank you for your continued support.

Mitch Factor  
President, CCT

**CORVETTE CLUB OF TEXAS, INC.  
APRIL 15, 2005, MEMBERSHIP MEETING  
FRIENDLY CHEVROLET, STEMMONS FREEWAY, DALLAS**

Ken Bradley, a Board Member, brought the meeting to order at 7:30 PM, April 15, 2005. No officers were present at the meeting because they were all attending an event at Boerne, Texas. No treasurer's report was given. The April Board minutes were read and approved.

No officer reports were given due to their absence.

Visitors were recognized and welcomed. There were four guests welcomed and they were all new C6 owners: Paul Silver (yellow C6 Coupe), Mary Ann and Lou Shepler (magnetic red C6 Convertible—won in the Texas Lotto), and Russell Brundnett. Eight CCT members were in attendance.

Activities reported: The Poppy Festival in Georgetown, April 22 & 23<sup>rd</sup> was discussed.

Greg Kubiak, Internet Director for Friendly, and CCT Rep, discussed car prices. One of the guests (Paul Silver) purchased his car from Friendly and shopped the Internet and all dealers in town and Friendly beat all the prices.

Ken discussed the Angel Fire trip over the 4<sup>th</sup> of July this year.

Everyone was invited to go and eat barbeque after the meeting.

The meeting adjourned at 8:30 PM.

Respectfully submitted,  
Ken Bradley

## NCM REPORT

Registration for the Z06 Fest will open next week. The event will be held July 21 – 23 and more details and registration will be available online at <http://www.corvettemuseum.com/registration/Z06/info.shtml>.

The museum will be kicking off a special limited raffle for a Build Your Own C6 Z06. Tickets will be limited to 500 for \$500 each and the raffle will begin immediately after the closing of the Machine Silver 500 ticket raffle that is under way right now. The raffle for the Z06 will be held during the C3 Extravaganza, October 13 – 15.

The NCM is now making plans for the 11<sup>th</sup> annual Corvette Celebration, to be held Labor Day week-end. This is a fun event with lots of activities for everyone. Again this year they are having a dinner & auction at Wendell Strode's early 1800's house for lifetime members. SO now is a good time to become a lifetime NCM member & you get to go to this (as well as other) event at no charge.

Need garage art??? One of the auction items is the 8ft. I-beam complete with the Chevy Bowtie emblem that was hanging over the Museum's admission center.

## MEMBERSHIP REPORT

No new members? Can't be. I must have missed something.

**Coming Soon!!**

*An update from an event posted last month-----*

On the 2nd Friday of every month, the city of Rowlett, TX holds its Family Fun Night & Car show at Dalrock Road & Hwy 66 [Mapsco 20-B-S/W] It begins at 6 P M. Those of us who attended last month's show were not impressed with the event , but found out the promoter for the city [Stephanie Smith @214-718-7984] had to change the location at the last minute due to A new land owner purchasing the shopping center and did not want the event held

on his property at this time. All of that problem has been resolved and the city feels this month will be A great event with lot's of turn out. Our new members Russell & Kathy Brundrett are going to the event again this month and will bring back a report for presentation to our board and or membership , as to CCT's participation in the future. Russell wanted them to have A second chance since their fist one was not a good representation of their event. We could meet at Sammy Walkers B Q [next door to the car show] around 6 or meet at the show. They are awarding A dash plaque and T shirt to the first 50 entries . Hopefully, A good turn out will occur in support of the City's effort. Please contact Russell @972-263-9047 home, 214-668-3534 cell., with questions.....Regards.....Ben Loflin

Remember members---

Only You can prevent dull weekends. Ben, Dennis and Mitch have coordinated the last few overnights, but they need help with activities planning. Contact Mitch Factor, Dennis Bertwell or Ben Loflin, to lend a hand.

Be sure and read the calendar of events in the Newsletter as some important dates are coming our way soon, ie, Speedway Children's Charity Laps at TMS on May 14th...The Lone Star Corvette Classic at TMS on May 14th, 15th, 16th,

# If you missed it!

Red Poppy Festival 2005 – Georgetown, Texas  
April 22, 23, 2005

Well we had terrific weather the entire weekend. Bob & Paula Mischel, Brian & Janet Gelles and myself left Friday afternoon from south Fort Worth and headed south on I-35W. We picked up Gary & Ann Sewell in their brand new red C6 coupe along the way in West, Texas. After we checked in at our hotel we went to diner at the Wildfire Restaurant in downtown Georgetown and had a relaxing evening of great food and drink.

The next morning we all got up early and caravanned to the Don Hewlett Chevy dealership. We signed up for the car show then paraded through town with 95 other Corvettes. There seemed to be a shortage of Red Poppies along the parade route but we had a lot of Corvettes. After we arrived at the town square we parked our cars for the show. There was a good representation of all 6 generations of Corvettes starting from 1957 through 2005 models. And Gary & Ann were still sporting dealer plates on their new red '05 coupe. After we had our cars judged we wandered through the streets checking out all the Corvettes, street vendors, entertainment and of course the food. Live music was provided all afternoon and into the evening.

Way to go, Mel!

We stayed around for the judging and guess what!! My car won best in class for the second year in a row (C5 conv). It must have something to do with that color combo. After the awards we headed for Duke's BBQ to have diner out on the deck, my pick. Again, the weather was perfect and we really enjoyed the diner, live music and conversation.

Slept in a little Sunday morning and started back for DFW stopping along the way to have brunch and the Stagecoach Inn on I-35. They have some great food!! All together it was a pretty great trip. I'm going to try for #3 next year.

Mel Roggenbuck

## *Where else but Boerne, Texas that is...*

On April 15th, 6 CCT cars left for Boerne, Tx for the annual fund raiser, St.Judes foundation for cripple children's research. Under the leadership of Mitch & Carol Factor and Dennis & Patti Bertwell they arrived in Boerne around 3 P M . Having stopped at a quaint little bakery in Blanco for hot apple pie covered with ice cream, slowed them up somewhat. After spending some time at The Loflin's home, every one went to their hotel to get ready for the friday night's dinner reservations at the Ye Old Kendal Inn. After dinner we went to "The Cellar", a wine shop with live music and many wines to sample. Saturday morning began at the Loflin's for coffee, Danish and juice. Then the 5 min ride to the car display where lot's of cars were present which included, Corvettes, classics, street rod's and vendors. The ladies went shopping as Boerne has very nice shop's to spend time in.

After admiring the vehicles on display and visiting the shops, we departed to spend most of the afternoon

seeking out point's of interest on our own. Others of us took A nap. Once again we began our Saturday night adventure at the Loflin's for a refreshment and then off to the Welfare, Texas [population 10] cafe. A very unique place where we dined on the covered patio situated in A flower garden. The food was good as usual, or everyone said it was good. Unfortunately, Mel Roggenbuck's arthritis acted up and he had to go home, so he missed the Welfare dining and the Sunday activities.

We began once again at Ben & Billie's on Sunday morning, then joined our host, The Corvette club from San Antonio. They caravaned us through some beautiful blue bonnet areas [ Willow Loop] and through the LBJ Park where we stopped and they cooked hamburgers with all the trimmings. They were great burgers! We did find one problem however, I failed to tell everyone to bring his or her favorite drink and it was warm. No worry! Mr. Bob Elfont came to our rescue by making an announcement to the San Antonio Club that we are not very sophisticated in these matters and not too smart on occasion, but we would be happy to pay anyone who had extra drinks. We had more free drinks than we knew what to do with. Many thanks to Bob for solving the problem. Everyone arrived home safe and sound with no tickets or car problems.

### **Pics from the trip**

**More from Boerne**

Notice the neat row of police cars behind us?

Just a few of the many show entries.

We understand that David Cooke & Debbie Allen were the only Takers for the Oklahoma casino run day, sponsored by the Cowtown Corvett Club, end of April. Was it a worthy trip? Tell us more
